About the Meeting of Physics

The primary goal of this event is to foster collaboration among local scientists, students, and international guest researchers, including Peruvians working abroad who are keen to contribute to the advancement of physics in Peru.

Organizing Committee

- Susana Petrick *UNI (Local Chair)*
- Julio Tello *UNI*
- Rosendo Ochoa *UNI*
- María Isela Zevallos *UNI*
- Carmen Rosa Eyzaguirre *UNI*
- Cesar Castromonte *UNI*
- Javier Solano *UNMSM*
- Ener Salinas *Hitachi Energy, Sweden (Internacional Chair)*

Keynote Speakers (Preliminary)

- Andrés La Rosa *Portland State University, USA*
- Danny Scipion *Jicamarca Radio observatory, Peru*
- Karla Santacruz *Universidad de Sonora, Mexico*
- Gino Janampa *ARAMCO, Saudi Arab*
- Francisco Paraguay *CIMAV, Mexico*
- Juan Z. Dávalos *CSIC, Spain*
- Arturo Talledo *VRI, UNI, Peru*
- Patrizia Pereyra *PUCP, Peru*
- Jorge Ayala *UNSA, Peru*
- Rolando Páucar *IPEN, Peru*
- Tomás Gálvez *UTEC, Peru*
- Diego Milanés *UTEC, Peru*
- Enrique Rojas *UTEC, Peru*
- Ener Salinas *Hitachi Energy, Sweden*

This event will also feature short seminars, poster presentations, a technical visit, and roundtable discussions on scientific topics of interest to Peru.
