

International Symposium on Earthquake Engineering “Enhancement of Building Technologies for Resilient Cities”

Contribution ID : 16

Type : **Keynote speaker**

Design and construction of masonry structures according to European regulations

Friday, 23 August 2019 10:00 (40)

Título de campo hola

Primary author(s) : MAURIAL, Andreas

Co-author(s) : SCHERMER, Detleff

Presenter(s) : MAURIAL, Andreas; SCHERMER, Detleff

Track Classification : TS-4: Earthquake Engineering Design and Evaluation
