

International Symposium on Earthquake Engineering “Enhancement of Building Technologies for Resilient Cities”

Contribution ID : 18

Type : **Keynote speaker**

Seismic Reliability on Civil Engineering Structures

Friday, 23 August 2019 12:00 (40)

Título de campo hola

Primary author(s) : BAZAN, Enrique

Presenter(s) : BAZAN, Enrique

Track Classification : TS-4: Earthquake Engineering Design and Evaluation
